ACTIVITIES

The FNAIM 69 brings together 210 real estate agents in the Rhône and the Nord Isère. This network covering the entire territory provides the most extensive selection of real estate advertisements.

The FNAIM 69 supports its members in their day-to-day work. It provides them with initial and continuous training, which makes FNAIM professionals stand out through their skills and their quality of service. It ensures compliance by all of its members with its Code of Ethics, guaranteeing the protection of consumers' rights.

Alexandre Schmidt, President of the Rhône FNAIM Chamber since 2016, has injected numerous areas, such as IT, media presence and the ALUR Law, with a new dynamic.

The Rhône FNAIM Real Estate Chamber is a member of the National Real Estate Federation (FNAIM) which is the largest trade union organization of real-estate professionals in France, today bringing together 11,000 businesses and 13 different professions: Estate Agent, Asset Manager, Management Agent, Property Expert, Real Estate Consultant, Business Real Estate Consultant, Developer, Real Estate Developer, Holiday Lettings Specialist, Business Agent, Tenancy Specialist, Property Trader, and Specialist in Rural and Forestry Affairs.

Spread over the entire country, FNAIM businesses and their 100,000 employees are at the heart of the real estate market, responsible, in particular, for the management of more than 90% of co-ownership entities and involved in the completion of one in every two transactions in existing residential real estate in the entire territory. The FNAIM is also the preferred contact of public authorities.
